

Are you an Australian Business wishing to employ **skilled workers from overseas?**
 Are you seeking an opportunity to live in Australia - **for work or study?**

About Emergico

Emergico is a boutique Migration and Relocation Specialist company.

Our expertise is in:

- ★ Providing businesses with strategic advice about Employer Sponsored Migration and Relocation;
- ★ Advising individuals about visa options and assisting with visa applications;
- ★ Putting suitable people in contact with employment opportunities;
- ★ Providing a relocation and settlement service to help make the transition to Australia as smooth as possible for everyone in the family.

Types of Visas

Business and Skilled Migration

- Are you an Australian business wishing to sponsor skilled workers?
- Are you an individual with specific skills and qualifications which are in demand?
- Perhaps you own a business overseas and would like to set up a legitimate business in Australia?

While the world economic outlook is grim, Australia is in the midst of an unprecedented boom in the mining and resources sectors. This means significant opportunities for skilled overseas workers to enter Australia.

Emergico can help. Unlike many other migration agents, Emergico takes a holistic approach to your business situation and can provide end-to-end solutions.

Talk to us today if you want to explore Migration and Relocation options

Student Migration

There's no better place than Australia to live while you are undertaking study.

Australia has some world class education facilities. Whether you are planning to undertake technical or university studies, talk to us to discuss your temporary visa options.

Family and Partner Migration

Do you have family living overseas? Do you intend to marry an Australian permanent resident? In some cases, Australian permanent residents may sponsor relatives and partners to live in Australia. Talk to us for more information.

Relocation Services

- Prepare for the move, and manage expectations;
- Decide where to live, and secure accommodation;
- Transition banking arrangements, drivers' licenses and other necessities;
- Become orientated to the new environment;
- Assist spouses to find employment, and help to find schools for children;
- Begin to understand the Australian culture;
- Start to develop a social network in a new environment;
- Transition smoothly to a new life in Australia;
- As an employer, it's vital that new staff can start to work with a minimum of delay and stress. That's where Emergico's Relocation and Onboarding service can add value.
- Talk to us about developing a customised strategy and program for your business.
